

UNIVERSAL KIDS RESORT

GUIDE FOR
**Safety and
Accessibility**

Effective July 1, 2026

UNIVERSAL KIDS RESORT

Welcome to Universal Kids Resort

We have provided this guide to give you as much detailed information about each attraction experience as possible. Our goal is to ensure that everyone is able to make well-informed decisions about their ability to safely, comfortably, and conveniently experience each of our attractions. If, at any time, you feel that you do not have enough information to make these decisions, please feel free to contact us.

Additionally, we have included specific information for Guests with disabilities. This information provides a clear outline of the accommodations at each attraction, as well as the physical requirements for entering or exiting ride vehicles and other attraction areas. It is important to note that although all of our Attractions Attendants are eager to make your day as pleasant as possible, they are not trained in lifting or carrying techniques and therefore cannot provide physical assistance. We suggest that Guests with disabilities bring a companion who can provide any physical assistance that may be needed.

Our goal is to provide the best accommodations possible to all of our Guests. With the information that follows, and with the information our Team Members can provide in answering questions, we are confident the experience you have with us will exceed your expectations.

How to Contact Us

You can message us at UKRTXQuestions@udx.com. Guest Services Coordinators are available seven days a week from 8:30am – 8:00 pm CST and make every effort to respond to messages in 24 to 48 hours. If you require an immediate response, please call us at 888-331-9105.

Participate Responsibly

Failure to follow posted guidelines may result in serious injury or expulsion from the park.

Please Note

Parks, Attractions, or Entertainment may close due to refurbishing, capacity, weather, or special events; change operating hours and otherwise change or be discontinued without notice and without liability to the owners of Universal Kids Resort. Details subject to change.

Attraction Information

Symbol Descriptions

Warning Signs can be found at the entrance of each attraction to help determine the attractions that are suitable for Guests based on their abilities. You will see the following symbols used throughout the Attraction Information Section and our Warning Signs:

Do not ride if you have a history of heart conditions or abnormal blood pressure.

Do not ride if you have back, neck, or similar physical conditions.

Do not ride if you have the inability to independently maintain an upright position.

Do not ride if you are an expectant mother.

Do not ride if you are susceptible to motion sickness or dizziness.

Do not ride if you are susceptible to fear of heights.

Do not ride if you have medical sensitivity to strobe effects.

Do not ride if you have medical sensitivity to fog effects.

Do not ride if you have arm or leg casts.

Do not ride if you have had recent surgery or have other conditions which may be aggravated by this ride.

Guests using mobility devices must transfer to the ride vehicle's seating.

Guests must transfer to a standard wheelchair.

Guests may remain in standard wheelchairs throughout. Guests using motorized wheelchairs or electric convenience vehicles should see an attendant for further information.

Guests under the indicated height may not ride. Children under 48" (122cm) must be accompanied by a Supervising Companion.

Children under 48" (122cm) must be accompanied by a Supervising Companion

Guests must be within this range of height to experience this attraction. Guests outside this range may not ride.

Closed Captioning Devices are available at this attraction. Ask an Attractions Attendant for details.

Attraction/ride vehicle can accommodate service animals. Guests with service animals should see an attendant for further information.

The ride vehicle does not accommodate service animals. Please see an attendant for further information.

Prosthetic limbs must be secured to prevent hazards or loss due to ride forces. Please see an attendant for further information.

Rider Requirements

For most rides and attractions, you must be able to independently maintain an upright position, and brace and support your torso, neck, and head while absorbing sudden and dramatic movements throughout the experience. For additional requirements, please consult the ride and attraction listing in this guide. If you have any questions, please see an Attractions Attendant or contact Guest Services.

Accessibility Accommodations

At Universal Kids Resort we are proud of providing accommodations that create a welcoming, inclusive environment and accessible experiences for our Guests. As a result, we have constructed our queues to be accessible to Guests using wheelchairs.

IBCCES ACCESSIBILITY CARD PROGRAM

3

Universal Kids Resort provides reasonable accommodations to Guests whose disability prevents them from waiting for extended periods in attraction queues. These accommodations are intended to provide equal access to theme park attractions and not to bypass other Guests waiting in the attraction queue.

Guests requesting an attraction queue accommodation may obtain the International Board of Credentialing and Continuing Education Standards (IBCCES) Accessibility Card (IAC) by registering at accessibilitycard.org within 30 days of their visit to the park and at least 48 hours before their visit. The IAC registration consists of an online application that includes uploading necessary documentation. IBCCES does not require or ask Guests to disclose their medical or psychological diagnosis or condition.

Guests who only need to use their mobility device do not need to apply for the IAC as our attraction queues and park entrances are accessible. Once the Guest receives an approved IAC, a Universal Kids Resort Team Member will contact the cardholder to discuss the appropriate attraction queue accommodation for the cardholder's visit.

Note: An IAC does not guarantee a Guest will receive a specific accommodation. The Universal Kids Resort Guest Accessibility team will determine the appropriate queue accommodation based on the cardholder's specific needs.

Guests who are unable to register in advance may contact the Guest Services team at Universal Kids Resort at 888-331-9105, or visit Guest Services at the theme park for additional information.

Note: Universal Kids Resort does not issue the IAC. Only IBCCES can issue the IAC.

Safety Advisory

FOR YOUR SAFETY

Shoes and shirts must be worn at all times. Read all health and safety requirements for each attraction as they are not all the same. You know your physical conditions and limitations; Universal Kids Resort does not. If you suspect your health could be at risk for any reason, or you could aggravate a pre-existing condition of any kind, do not experience the attraction.

RIDE INFORMATION

For your safety and the safety of others, always face forward, keeping your hands and feet inside the ride vehicle at all times. Remain seated until the ride comes to a complete stop and you receive instruction to exit the vehicle.

LOST ITEMS

Never attempt to recover a lost item while riding. Notify an Attractions Attendant for assistance and we will do everything we can to recover your property as quickly as possible.

RESTRAINT SYSTEMS

All passenger restraint systems, including lap bars, shoulder harnesses, and seat belts must be positioned and fastened properly to assure Guest safety. Guests who do not fit properly within any safety restraint will not be permitted to ride.

MAGNETIC FIELDS

Many common devices produce electric or magnetic fields. They are used in everyday life as well as in our parks. The magnetic fields are generally confined to the equipment and should pose no concern as our Guests are not exposed to the proximity of the fields. Please see an Attractions Attendant for further information.

LOOSE AND FREE-FLOWING ARTICLES

Loose articles such as cell phones, photography devices, umbrellas, and keys are prohibited at most attractions and should be left with a non-rider or secured in a locker.

In addition, items that could potentially extend out of the ride vehicle, either before or during the ride experience, should be properly secured before riding. Excessively long hair, long and flowing articles of clothing, and/or accessories must be removed, tucked in, or tied back.

LOCKERS

Lockers are available at the following attractions (additional fees may apply):

UNIVERSAL KIDS RESORT

- Bello Bay Cruise

General Information

PARKING

Guests entering the Toll Plaza with an Accessible Parking Permit will be directed to our accessible parking spots. Limited accessible Electric Vehicle parking is available.

WHEELCHAIR RENTAL

If you require a wheelchair or Electric Convenience Vehicle (ECV), limited quantities are available for rent on a first come, first served basis. The Rental Facility is located inside the theme park entrance to the right. If additional assistance is needed, please notify a Team Member.

None of the ride vehicles or attraction queues at Universal Kids Resort will accommodate ECVs. At those rides which can accommodate standard wheelchairs, Guests may transfer from their ECV into a standard wheelchair that is provided at each location. If you cannot transfer to a standard wheelchair, please see an Attractions Attendant.

RESTROOMS

All restrooms within the theme park have facilities that are accessible for Guests using wheelchairs.

FAMILY RESTROOMS

For your convenience, Universal Kids Resort provides family restrooms. Please refer to the park map for current locations.

FIRST AID

In Universal Kids Resort, the primary first aid station is located by Family Services in Isle of Curiosity adjacent to the Universal Kids Resort Cafe. There is also a second First Aid station at Family Services located in DreamWorks' Puss in Boots Del Mar. If you have any questions or need additional assistance, ask any Team Member or stop by Guest Services inside the main entrance.

ADULT CHANGING TABLES

Adult changing tables are provided at Family Services, one in Isle of Curiosity adjacent to the Universal Kids Resort Cafe, and another at Family Services located in DreamWorks' Puss in Boots Del Mar.

NURSING FACILITY AND QUIET ROOM

Nursing facilities and quiet rooms are located at Family Services. There are locations in Isle of Curiosity adjacent to the Universal Kids Resort Cafe, and in DreamWorks' Puss in Boots Del Mar.

Guests Using Wheelchairs

For your enjoyment and convenience, all of our shopping and dining facilities are wheelchair accessible. Also, our stage shows have areas reserved for "Accessible Viewing." These areas are clearly marked with the International Symbol of Accessibility.

At most of our attractions, the queue experience is an important part of telling the story of the overall attraction experience. As a result, we have made all of our queues accessible to Guests using wheelchairs. There are specific boarding requirements and accommodations for those using wheelchairs at each attraction. In all cases, if you are capable of transferring to the attraction seating (either by yourself or with the assistance of another person in your party), you may transfer.

For the safety of our Guests, certain attractions contain a height requirement due to the dynamic elements in the ride system. Guests who are unable to stand independently for height verification should see an Attractions Attendant for further information.

All attractions at Universal Kids Resort have been designed to accommodate those transferring from their wheelchair to the ride vehicle.

Guests Using Electric Convenience Vehicles (ECV)

At the attractions, none of the ride vehicles or attraction queues at Universal Kids Resort will accommodate Electric Convenience Vehicles (ECV). Guests may transfer from their ECV into a standard wheelchair that is provided at each location. If you cannot transfer to a standard wheelchair, please see an Attractions Attendant.

Guests must adhere to Universal's safe usage policy noted below for powered mobility devices such as, but not limited to, power-driven wheelchairs, Electric Convenience Vehicles/scooters, or other power-driven mobility devices.

- Guests using powered mobility devices must operate them at a safe speed equivalent to or slightly slower than surrounding pedestrians.
- Guests using powered mobility devices must power down and remove keys (as applicable) when left unattended.
- Guests using powered mobility devices are responsible for any harm, damages, or injury caused to any person or property by the powered mobility device user's intentional, reckless, or negligent usage of the powered mobility device.
- We are not responsible for any harm or damage caused to any powered mobility device by other Park Guests, or while a powered mobility device is left unattended, or while a powered mobility device is used in violation of these rules.
- Hoverboards are not permitted in the park.

Guests with Hearing Disabilities

AMERICAN SIGN LANGUAGE INTERPRETING SERVICES

Interpreting services in American Sign Language may be requested at no charge for select in-park live action shows in Universal Kids Resort. Please email requests with a minimum of 14 days advance notice to UKRTXQuestions@udx.com. You will be contacted prior to your visit to confirm arrangements.

SHOW SCRIPTS

Scripts outlining the dialogue for select in-park live action shows are also available for loan inside Universal Kids Resort at Guest Services.

UNIVERSAL KIDS RESORT

- King Trollex Techno Dance Party
- Trolltastic: Concert Countdown
- Mama Luna's Adopt a Kitty Day!

Please see an Attractions Attendant or Guest Services for further assistance.

Guests with Vision Disabilities

LARGE PRINT AND BRAILLE SCRIPTS

The Guide for Safety and Accessibility is available for loan in large print at the Guest Services lobby at Universal Kids Resort.

In addition, large print scripts outlining the dialogue for select in-park live action shows are also available for loan inside Universal Kids Resort at the following locations:

UNIVERSAL KIDS RESORT

- King Trollex Techno Dance Party
- Trolltastic: Concert Countdown
- Mama Luna's Adopt a Kitty Day!

Please see an Attractions Attendant for further assistance.

WHITE CANES

Many attractions can accommodate a Guest with a white cane which may need to be collapsed and secured during the ride experience. On

those attractions where the white cane may become lost due to ride forces or present a potential hazard to other Guests, an Attractions Attendant will hold the white cane for you once you are seated. The Attractions Attendant will have the white cane available as soon as the attraction vehicle is stopped in the unload area. White canes will be held by an Attractions Attendant at the following attractions:

UNIVERSAL KIDS RESORT

- Bello Bay Cruise
- Rhonda's TrollsFest Express
- Jurassic World: Cretaceous Coaster
- Pteranodrop
- Swings Over Del Mar
- Barnacle Bus

Please see an Attractions Attendant with any questions or for further assistance.

Service Animals

Trained Service Animals are welcome at Universal Kids Resort. Animals who do not meet the definition of a Service Animal will not be permitted in the park. Service Animals must be harnessed, leashed, or tethered, unless these devices interfere with the Service Animal's work or the individual's disability prevents using these devices. In that case, the individual must maintain control of the animal through voice, signal, or other effective controls. In order to assist the owner in making an informed decision about their Service Animal's safety, each attraction has its own specific entry/boarding requirements. To ensure the safety of the Service Animal, the service animal must remain on the floor of the ride vehicle and its tail (or other appendages) must not extend beyond the floor of the ride vehicle. Please consult the listing for each attraction in this guide for more information. Guests may experience the following attractions with their Service Animal:

UNIVERSAL KIDS RESORT

- Bobbing Barrels
- Jellyfish Fields Jamboree
- Shrek & Fiona's Happily Ogre After
- King Trollex Techno Dance Party
- Trolltastic: Concert Countdown
- Mama Luna's Adopt a Kitty Day!
- Pineapple Paradise
- Minions Water Play
- Lookout Tower/Paddock Play
- Poppy's Playland
- Trolls Critter Crawl
- Shrek's Swamp Rompin' Stomp
- Swamp Splash & Smash

Portable Service Animal kennels are available while you enjoy certain attractions. Please note that our Team Members cannot assist in the handling of Service Animals.

Relief areas are available throughout the resort. Please refer to the park map for specific locations.

Guests with Cognitive Needs

Universal Kids Resort has partnered with The International Board of Credentialing and Continuing Education Standards (IBCCES), a global leader in training and certification programs, to be designated as a Certified Autism Center™ (CAC). Our Team Members have received specialized training to support individuals with autism while providing the best experience for the entire family.

BEFORE YOU VISIT

Visit our website at www.UniversalKidsResort.com to see pictures of rides, shows, and restaurants.

Review the contents of this Guide for Safety & Accessibility (GSA) for the First Aid Station, Family Restroom, and Attraction information including rider access information, requirements, and Sensory Level & Participant Guidelines.

STAFF SUPPORT

Team Members are available and trained to provide support to Guests with autism and sensory-sensitive individuals.

Guest Services is available to answer any questions and assist you during your visit. Guests may pick up a printed copy of this GSA from Guest Services.

FAMILY SERVICES

Family Services at Universal Kids Resort offers the following services:

- **Quiet Rooms:** Specially equipped spaces where guests can take a break. Sensory Wall Panels, Floor Cushions, and Soft Floors are available for use in quiet rooms upon request. You will not be required to reserve the room; however, you must wait until the room is vacant to use. We encourage you to adhere to a thirty (30) minute time limit to ensure that other Guests are able to access the room throughout the day.
- **Nursing Rooms:** Private, lockable nursing rooms include a rocking chair and sink.
- **Family Restroom:** Adult and children companion restrooms.

SEATED SHADE AREAS

There are seated shade areas around the park if any Guest needs a break:

- In Jurassic World Adventure Camp to the left of Jurassic World Canteen.
- In DreamWorks' Trollsfest across from Trolls Critter Crawl.
- In DreamWorks' Puss in Boots Del Mar across from Swings Over Del Mar.

SENSORY GUIDES

Sensory guides are designed for informational purposes to describe the likely sensory experience of each area to better inform Guests about common sensory triggers or scenarios. These are not all-inclusive of other ride/attraction details and are not meant to be used for safety or hazard guidance. Please refer to the individual attraction information pages for additional details.

	TOUCH	TASTE	SOUND	SIGHT	SMELL

	<small>© BOCES ALL RIGHTS RESERVED</small>				

Guests with Prostheses

Please review the attraction requirements in the Attraction Information section to ensure rider eligibility as some of our attractions have specific natural limb requirements to ride safely.

Guests must properly secure all prosthetic limbs before riding the following attractions to prevent hazards or loss due to ride forces:

UNIVERSAL KIDS RESORT

- Bello Bay Cruise
- Bello Bay Golf Cart Derby
- Hair in the Clouds
- Rhonda's TrollsFest Express
- Jurassic World: Cretaceous Coaster
- Pteranodrop
- Mr. DNA's Double Helix Spin
- Shrek & Fiona's Happily Ogre After
- Swings Over Del Mar
- Bobbing Barrels
- Barnacle Bus
- Jellyfish Fields Jamboree
- Mrs. Puff's Boating School

Guests with Casts

Casts must fit comfortably in the ride vehicle and not interfere with proper functioning of the ride restraint. Please see an Attractions Attendant for further information.

Guests Using Medical Devices

Oxygen concentrators, insulin pumps, or other devices may be permitted if they can be secured and not interfere with the ride restraint. Please see an Attractions Attendant for further information.

Due to the dramatic movement of the ride vehicles and certain special effects, oxygen tanks (including compressed and liquid) are only permitted at the following attractions:

UNIVERSAL KIDS RESORT

- King Trollex Techno Dance Party
- Trolltastic: Concert Countdown
- Mama Luna's Adopt a Kitty Day!

Please see an Attractions Attendant for further information.

Evacuations

If an evacuation of an attraction or venue is required, Guests may be required to navigate stairs, narrow walkways, or ladders. Please have a member of your party assist you, or wait in the ride vehicle for assistance. Canes or crutches may be brought to you before exiting the vehicle.

Accompanied by a Supervising Companion

Any child who meets the minimum height requirement of the attraction but does not meet the 48" (122cm) ride-alone height requirement must be accompanied by a Supervising Companion. A Supervising Companion is defined as someone who is 14 years of age or older and meets all other attraction ridership requirements.

Children under 48" (122cm) must be able to sit upright unassisted on all rides.

Explanation of Terms

We use a standard set of terms to describe each of our attractions. Our intent is to provide you with a clear understanding of each attraction's dynamics and physical requirements so that you can make an informed decision about experiencing them. The attraction information in this guide will be presented in the following categories:

ATTRACTION DESCRIPTION

This section outlines the specific attraction experience.

IMPORTANT ACCESS INFORMATION

This section outlines specific physical restrictions and requirements to ensure a comfortable and safe ride experience.

RIDER REQUIREMENTS

This section outlines the physical abilities required to experience the attraction.

INFORMATION FOR GUESTS WITH SERVICE ANIMALS

This section outlines the level of accommodation and other special instructions for Guests accompanied by service animals. Review this information fully before experiencing each attraction and please see an Attractions Attendant for further information.

INFORMATION FOR GUESTS USING MOBILITY DEVICES

This section outlines the level of accommodation and other special instructions for persons using mobility devices. Review this information fully before experiencing each attraction and please see an Attractions Attendant for further information.

SENSORY GUIDE

This section outlines a rating for the level of sensory experience for Touch, Taste, Sound, Sight, and Smell from 1 (low stimulation) to 10 (high stimulation), as well as notes on what to expect for each sense.

Barnacle Bus

ATTRACTION DESCRIPTION

This ride features a unique combination of rocking and whirling motions. The vehicle rocks back and forth while also rotating around its own center.

IMPORTANT ACCESS INFORMATION

- This ride employs safety restraints which may not accommodate certain people due to their body shape or size.
- Secure all loose articles before riding.
- Supervising Companion required for children 30"-48" (76cm-122cm) in height.

RIDER REQUIREMENTS

- You must be able to independently: (1) maintain an upright position, (2) support your torso, neck, and head while absorbing sudden and dramatic movements, and (3) brace your body with at least one upper extremity.
- When seated, both legs (natural or prosthetic) must extend to edge of seat or terminate below the knee.
- You must be able to take a small step into the ride vehicle compartment, either independently or with assistance from your companion.

INFORMATION FOR GUESTS WITH SERVICE ANIMALS

This attraction cannot accommodate service animals. A portable kennel is available upon request.

INFORMATION FOR GUESTS USING MOBILITY DEVICES

This attraction has a modified ride vehicle to assist you in entering the ride vehicle. Please see an Attractions Attendant for further information.

Bobbing Barrels

ATTRACTION DESCRIPTION

This ride is a water journey that subjects you to sudden acceleration, turning, and spinning. Riders will get wet, possibly soaked.

IMPORTANT ACCESS INFORMATION

- Secure all loose articles before riding.
- Supervising Companion required for children 36"-48" (92cm-122cm) in height.

RIDER REQUIREMENTS

- You must be able to independently: (1) maintain an upright position, (2) support your torso, neck, and head while absorbing sudden and dramatic movements, and (3) brace your body with at least one upper extremity.
- When seated, both legs (natural or prosthetic) must extend to edge of seat or terminate below the knee.
- No hand-held infants. No lap sitting.
- You must be able to take a small step into the ride vehicle compartment, either independently or with assistance from your companion.

INFORMATION FOR GUESTS WITH SERVICE ANIMALS

This attraction has adequate floor space and has adequate side barriers for containment. The vehicle spins on center and has constant circular motion. Water will spray into the vehicle throughout.

INFORMATION FOR GUESTS USING MOBILITY DEVICES

This attraction has a modified ride vehicle to assist you in entering the ride vehicle. Please see an Attractions Attendant for further information.

Jellyfish Fields Jamboree

ATTRACTION DESCRIPTION

This is a circular motion gondola ride. Up and down movement is controlled by the rider.

IMPORTANT ACCESS INFORMATION

- This ride employs safety restraints which may not accommodate certain people due to their body shape or size.
- Secure all loose articles before riding.
- Supervising Companion required for children under 48" (122cm) in height.

RIDER REQUIREMENTS

- You must be able to independently: (1) maintain an upright position, (2) support your torso, neck, and head while absorbing sudden and dramatic movements, and (3) brace your body with at least one full leg (natural or prosthetic).
- You must be able to take a small step into the ride vehicle compartment, either independently or with assistance from your companion.

INFORMATION FOR GUESTS WITH SERVICE ANIMALS

This attraction has adequate floor space and has adequate side barriers for containment. The vehicle has constant circular motion and can be moved up and down by the rider.

INFORMATION FOR GUESTS USING MOBILITY DEVICES

This attraction has a device to assist you with your transfer to the ride vehicle. Please see an Attractions Attendant for further information.

					© BCCES ALL RIGHTS RESERVED

Bello Bay Cruise

ATTRACTION DESCRIPTION

This is a water journey in a circular raft. The raft will suddenly and dramatically accelerate, turn, and drop. The movement of the raft is very dynamic and includes sudden tilting and jarring actions. Riders will get wet, possibly soaked.

IMPORTANT ACCESS INFORMATION

- This ride employs safety restraints which may not accommodate certain people due to their body shape or size.
- Secure all loose articles before riding.
- Supervising Companion required for children 40"-48" (102cm-122cm) in height.

RIDER REQUIREMENTS

- You must be able to independently: (1) maintain an upright position, (2) support your torso, neck, and head while absorbing sudden and dramatic movements, and (3) brace your body with at least one upper extremity.
- When seated, both legs (natural or prosthetic) must extend to the edge of the seat or terminate below the knee.
- Negotiate an 18" (46cm) high barrier into the ride vehicle compartment, either independently or with assistance from your companion.

INFORMATION FOR GUESTS WITH SERVICE ANIMALS

This attraction cannot accommodate service animals. A portable kennel is available upon request.

INFORMATION FOR GUESTS USING MOBILITY DEVICES

This attraction has a modified ride vehicle to assist you with your transfer to the ride vehicle. Please see an Attractions Attendant for further information.
